

What do leak repairs cost?

The cost of leak repair varies widely, from a few minutes by one person to tighten a nut on a leaky meter, to a few days by a crew with heavy equipment to repair a deeply buried main. Scheduled maintenance for leak repairs is far cheaper than unscheduled overtime. Call us and let us earn the opportunity to become your 1st Choice! Call **1st Choice Plumbing** at (770)596-5064
